Re: Daily COVID Update

We are pleased to report that wing 4 and Terrace residents were tested for COVID today and we received no new positives among residents. Unfortunately, we had two staff members test positive for COVID today.

Manor residents will be tested on Friday and staff testing will continue on Friday.

IDPH removed a barrier with Medicare licensing of west side beds which allowed us to move all wing 4 residents to other wings and cohort COVID positive residents on wing 4. We have dedicated staff who are only caring for COVID positive residents to avoid cross-contamination.

Thank you for your continued prayers for the health and safety of our residents and staff.
