RE: Additional positive COVID test results received for Pinecrest †

Dear Pinecrest Village resident/resident representative,

Today, Pinecrest nursing staff conducted the second round of COVID testing of Pinecrest † s the receipt of positive tests of a Village employee and a Village resident. Unfortunately, today's testing revealed three new positive tests among Village residents. Additionally, due to symptoms noted, a Village cottage resident was tested and determined to be positive for COVID 19.

The Ogle County Heath Department administrator has directed the following:

- Testing will be completed as planned on Tuesday, December 15. An additional round of testing will be completed on Friday, December 18.
- **All** Pinecrest Village residents should remain in their apartments until at least Friday, December 18.
- **We must receive two rounds of tests with no new positives in order to remove the restriction requiring residents to remain in their apartments.**
- Visits to Pinecrest Village continue to be suspended indefinitely (caregivers providing medically necessary assistance will be allowed in to the building and should wear full PPE during their visit).
- Meal services will continue to be contactless. Meals will be delivered by dining services to a tray outside of your apartment. Dining services will knock to let you know the meal has been delivered.
- Housekeeping services will not be resumed during the quarantine period.
- Residents should not use the laundry facilities until at least Saturday, December 19. This may be extended if additional positive test results are received.
- **If you have a medical emergency, dial 911. If you pull the call cord in your apartment, nursing staff has been instructed to call 911.**

If you develop any symptoms of COVID-19, please call the Pinecrest Community main number 815-734-4103 and we will make arrangements to conduct a rapid COVID test at the first availability of the Pinecrest Village CNA.

We will provide written updates to you via our Facebook page as well as the website at:
